## • INVESTMENT POLICY

It is expected that exposure to cash, cash equivalents and fixed income investments will make up the majority of the Fund's assets. However, investments will not be confined to any particular sector. Exposure will be achieved primarily through investment in collective investment schemes. The Fund may also invest in transferable securities, money market instruments, warrants and deposits.

Use may also be made of stock lending, temporary borrowing and cash holdings. Derivatives may also be used for the purposes of hedging and efficient portfolio management.

## • ABOUT OMNIS INVESTMENTS

Omnis Investments Limited is wholly owned by Openwork Holdings Limited, bringing established specialist providers together to create a tailored investment solution. It is focused on delivering maximum returns to investors for well-defined levels of risk via a series of funds.
